The following change(s) occurred:

.0214 (h) At facilities where physical contact is allowed during visitation, the contact between inmate and visitor(s) is limited. Inappropriate displays of affection or sexual activity are not allowed. The inmate and his/her visitors may embrace (kiss and hug) only upon arrival and departure from the visiting areas. Inmate and their visitors may be allowed to "hold hands"; however, they must do so with the hands clearly visible at all times. If an inmate or visitor does not follow the rules concerning physical contact, they will be warned and upon repeat occurrence the visit may be immediately terminated. The inmate may face possible disciplinary action and the visitor's visitation privileges may be suspended.
